INTRODUCTION

Our Mission

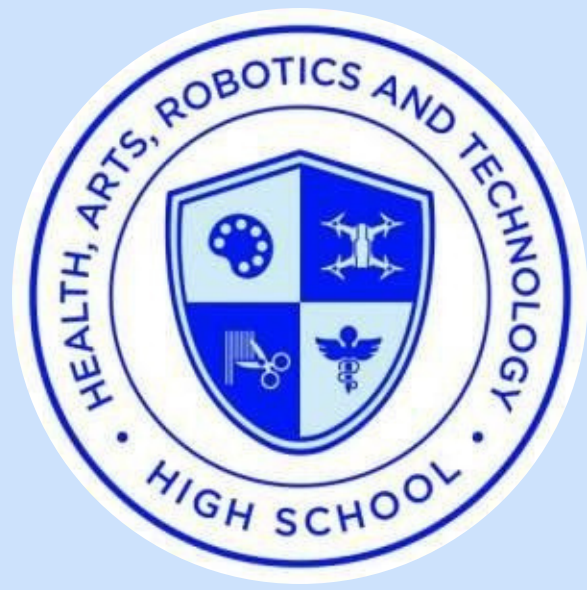

MISSION STATEMENTS

To provide all students with a safe and nurturing environment that promotes high expectations through academic rigor, exposure to the arts, and a college bound culture. Students will be provided with a core curriculum that is rich and rigorous which respects diversity in students' learning styles. We have one guiding principle: **Effective Instruction in Every Classroom.** We strive for our students to be college bound and prepared with the skills to succeed in the 21st century.

Attendance

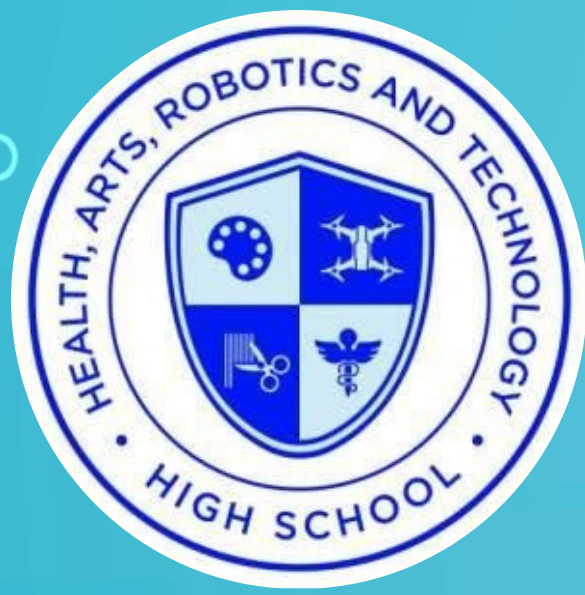

- **Schools must take attendance every school day and every period to show whether a student is in school or not; it's the law!**
- **Schools must tell families when students are absent or late. They will make a call or outreach home.**
- **We use the DOE's Attendance APP to communicate with you about absences and other important information.**

HOW TO ACCESS YOUR NYC SCHOOLS ACCOUNT

Step 1 - Go to NYCSA (New York City School Accounts) - <https://www.schoolsaccount.nyc/>

**Please e-mail
Ms. Miller for
creation code**

Cmiller69@schools.nyc.gov

IF YOU DO NOT HAVE an NYCSA Account, please follow the steps below:

1. Select the "Create Account" link found on the login page.
2. Enter your name, email address, and cell phone number to begin receiving notifications. You can create a basic account without an account creation code, but to link your student to the account, you will need the code.
3. Select "Validate Email" after you have entered your contact information. Keep this page open.
4. Open your email to get the validation number. Enter the number into the "Validate Email" page.
5. Proceed to create your password.
6. Proceed to create your account security questions.
7. Enter the unique Account Creation Code, which is specific to you and your student:
Account Creation Code: _____
8. Select "Create Account."

If you have more than one student attending an NYC public school, you will receive one letter containing an Account Creation Code for each student. You will only need to enter the student ID and Account Creation Code for one of your students in step 7 above to create your account. Once you create an account, you can add your remaining students by entering their student IDs and Account Creation Codes on the "Manage My Account" page.

Step 2 - Click on the MyStudent card on the left side of the screen towards the top.
